To The Girls.

The votes of the contestants will be published each week from now on, and the young lady who gets no increase in her vote each week, will be dropped from the list. We want only workers, and you must either work or get your friends to work if you desire to stay in the contest. Most of the contestants are doing good work.

By April 1st we would like to have the photo of each contestant that we may have the half-tone made and run each contestant's picture in the HERALD with the vote received. This is not to exhibit your photo, but it is to aid you. Some of your friends may not know you in person will judge from the photo the girl they wish to support.

McLaughlin-Looney.

Married, March 9th, 1906, in the city of Cape Girardeau, Mr. John McLaughlin and Miss Elva Looney. The bride is the daughter of Charles H. Looney of Cape Girardeau, and the groom is a son of John S. McLaughlin of Montana. The ceremony was performed by Rev. Duvall at his residence. Mr. and Mrs. McLaughlin left immediately after the ceremony for Pocahontas where they sat down to the best dinner that was ever put before a bride and groom. The table was decorated with beautiful flowers and the finest cakes and chicken. To make a long story short, the best of everything to eat.

One would think the Lixative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for coughs and colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Cough Syrup, the best known remedy for coughs, colds, croup, whooping cough, etc. Tastes good and harmless. Sold by W. A. Trickey, druggist.

Soda Crackers and—

anything you choose—milk for instance or alone.

At every meal or for a munch between meals, when you feel the need of an appetizing bite to fill up a vacant corner, in the morning when you wake hungry, or at night just before going to bed. Soda crackers are so light and easily digested that they make a perfect food at times when you could not think of eating anything else.

But as in all other things, there is a difference in soda crackers, the superlative being

Uneda Biscuit

a soda cracker so scientifically baked that all the nutritive qualities of the wheat are retained and developed—a soda cracker in which all the original goodness is preserved for you.

The Passion Play.

The Passion Play will be given in moving pictures, representing the life of Christ from His birth to His ascension. Shows all His travels, all His miracles, His persecution and His death, and His resurrection and His ascending to His home in heaven. You will see Jesus taken down from the cross and laid away in His grave; and then an Angel appears from heaven and breaks the seal of that great stone that is sealed in the mouth of the sepulchre and Jesus is seen walking out of His grave and goes upon Mount Olive with His disciples. He blesses them; then He ascends up into heaven. Some fine sacred songs will be played, entitled: "Where is My Wandering Boy?" "Hello, Centred, Give me Heaven." "The Holy City." "Always in the Way." will be illustrated by a powerful incandescent light, and will be sung by the Victor machine. They have several marches and band pieces that will be played on the Victor also. Come and see how Christ suffered and died for the sins of this world. Admission 15 and 25 cents. This entertainment will be given at the M. A. Hall for the benefit of the M. E. Church, Monday, March 26, by Prof. A. T. Briggs & Son. It is a great treat for both old and young. Don't miss it.

Served seats at Grant & Elbrech's 10c extra.

Persons are Puzzled.

The remarkable recovery of Kenneth Melver, of Vancouvers, B.C., is the subject of much interest to the medical fraternity and a wide circle of friends. He says of his case: "Owing to severe inflammation of the throat and congestion of the lungs, three doctors gave me up to die, when, as a last resort, I was induced to try Dr. King's New Discovery and I am happy to say, it saved my life." Cures the worst coughs and colds, bronchitis, tonsillitis, weak lungs, hoarseness and laryngitis. Guaranteed at DR. S. E. WOODS' drug store. 50c and \$1. Trial bottle free.

Schumer Springs

All eyes now seem to be turning toward Schumer Springs. Some of the best business men of Jackson and other towns in the county are selling out and going to locate at Schumer. Many others of Jackson, Cape Girardeau and other towns are investing largely there. Last week the contract was let to Mr. Chas. E. Kieffer of Perryville to build a 52-room sanitarium at Schumer. Other improvements are going on and other lines of business are being developed. Schumer Springs in a few years will be the health resort of Southeast Missouri.
